This research paper is about Maulana Syed Athar Dehlavi a new age Islamic scholar and political philosopher who worked on grassroots level for the sake of humanity , peace and harmony . It was written by his son Syed Ahmad Dehlavi after he passed away on 25 January 2023 .

(Maulana) Syed Athar Hussain Dehlavi , Chairman , (Anjuman Minhaj e Rasool) , who was a very talented spokenperson , Islamic Scholar and a person who cared about relationship and actually made relationships go on passed away on 25 January 2023. His death was a very big loss for his family friends and the world. He was an inspiration for many and gave many great lessons of life to the people. He was the person who is the protagonist of everyone's life because whomsoever met Syed Athar Hussain Dehlavi got connected to him very closely and Syed Athar Hussain Dehlavi was the part of everyone's story and his passing took away a part of everyone's life. The loss of a gift of Allah is a loss to the world but the loss of the world is minor to the loss of those to whom Allah gifted Maulana Dehlavi as a part of family . verily Allah tests those whom he loves and Allah tested Syed

Athar Dehlavi by the death of his father but as the Quran says "Fainna ma al usri yusra" verily after hardship comes ease he made Syed Athar Hussain Dehlavi a successful Islamic Scholar and a man whose teachings contained a fusion of islam and humanity. He used to say that relationships are part of our life and respecting others ,caring for others gives us happiness. Syed Athar Hussain Dehlavi followed the path shown by Allah (swt) , the teachings of Prophet Muhammad (pbuh) and his centre of inspiration was Maulana Abul Kalam Azad ,verily Allah sent Maulana Dehlavi to propagate the teachings of his beloved Prophet Muhammad (pbuh) and to preserve humanity . This was about the professional identity of Maulana Dehlavi but as a son ,a brother ,a husband , a father , a relative Syed Athar Hussain Dehlavi was the same as Syed Athar Hussain Dehlavi was to public . I , Syed Ahmad Hussain Dehlavi the first son of Syed Athar Hussain Dehlavi always adored my father as an inspiration and he was the whom I trusted , I adored , I followed , I heard and I choose my carrier as his to be a righteous personality. Since childhood my centre figure was my father and when I grew up he made me learn

how to walk , to talk , to sit, to use electronics, to type , to respect elders, to love younger ones , to meet relatives and to bound them together and sit with them respectively and affectionally and not to fight or cuss the enemy even if its not your fault . His teachings helps me in daily life and makes me feel he is with me all the time . Along with the life values he taught me to acquire bestest knowledge in the world , Be righteous to others and never hurt anybody Physically or Mentally . Words cannot describe a son's love to his father who was a different personalitywho god gives someone in a hundred years. I would say that his place cannot be fulfilled but I with the prayers of yours will try to be like my father . May Allah my father Syed Athar Hussain Dehlavi magfirat and give him place in Jannat ul Firdaus and make his grave one of theorkid of the Jannah and make me fulfill his mission to be righteous just and trust worthy (AMEEN).
